The Tanzania Nursing and Midwifery Council changed the terms of its Memorandum of Understanding with the World Continuing Education Alliance (WCEA) with courses for Nurses and Midwives in the Diaspora who wish to renew their practicing license in Tanzania.

- i. From January 2024, diaspora nurses and midwives will be charged an annual subscription fee to access the WCEA platform.
- ii. To renew your license, it will be mandatory for Diaspora nurses and midwives to have an active WCEA subscription and obtain 20 CPD points through the platform annually and 60 CPD points for three years.
- iii. Nurses and Midwives in Tanzania will continue to access WCEA freely.

Yours Sincerely.
