Nursing on the Frontlines of the Climate Crisis: Education for Action Course

This is a comprehensive learning path designed to equip nurses worldwide with the knowledge and tools to address the health-related impacts of climate change and strengthen healthcare systems. **The course consists of 10 modules, each lasting 1 hour, for a total duration of 10 hours.**

Do the following to access the online CPDs if YOU ARE ALREADY REGISTERED on WCEA:

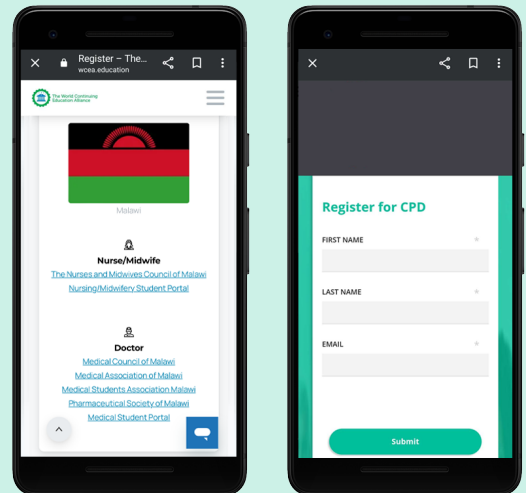

1. Download or update the WCEA app from the [Google Play](#) or [Apple Store](#)
2. Log-in with your username and password.

If you have forgotten your password or username, use the respective links under 'LOGIN' to retrieve them. Ensure you use the email address you signed up with!

Do the following to access the online CPDs if YOU ARE NOT REGISTERED on WCEA:

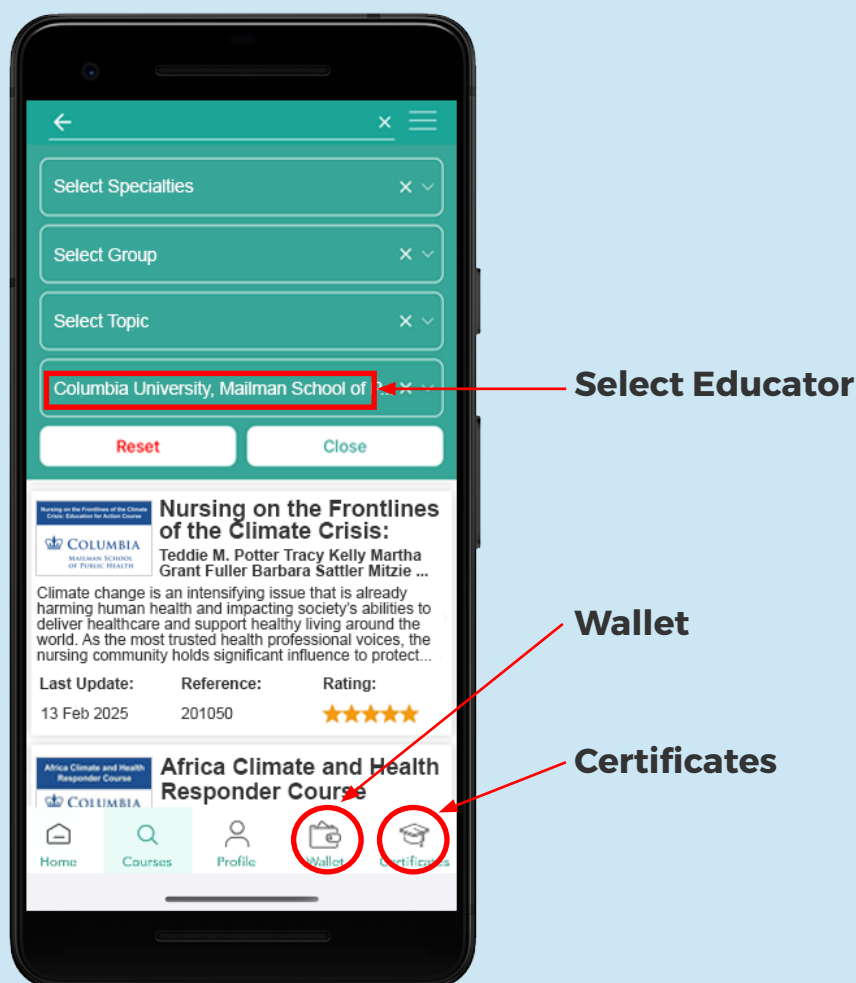

1. Register online through <https://wcea.education/register/>
2. Search for the flag of your country and select the organization you are a member of. If you cannot find the relevant organization, please use the 'Student' option.

3. Fill in all the fields.
4. You will receive an email with your login details and a link to download the WCEA app from the [Google Play](#) or [Apple Store](#).
5. Once you receive the email, go to the app and change the password to a permanent one. Keep note of your username and password.

Next stage - Common steps:

1. Go to the 'Pathways' tab, click on the 3 lines to use the 'Select Educator' filter and select 'Columbia University, Mailman School of Public Health'.

2. Download the 10 modules of this learning path.
3. Once you download the modules, they will be available in your 'wallet'. You can access the wallet by clicking the 'wallet' button which is two across from the search button.
4. You can access and complete the learning path offline.
5. Once you have completed the modules and can access internet, open the app, and your completion will be registered and CPD points and certificate awarded.

Can I access the courses on a PC/Laptop?

Yes, you can access the same courses. Please use supported browsers such as the latest versions of Google Chrome and Microsoft Edge.
