#### **RE: RENEWAL OF PRACTICING LICENSES AND WCEA SUBSCRIPTION FOR DIASPORA NURSES AND MIDWIVES**

---

Reference is made to the Nursing and Midwifery Council of Botswana (NMCB) communication dated 11<sup>th</sup> December 2023, which informed all Nurses and Midwives residing in the diaspora of the introduction of a subscription fee for the WCEA platform, effective January 2024.

The Nursing and Midwifery Council of Botswana (NMCB) wishes to remind all Nurses and Midwives residing in the Diaspora that, effective September 2025, they are required to annually renew their practising licences with the NMCB and, in addition, subscribe to the WCEA platform and attain a minimum of 20 CPD points. The WCEA platform is accredited by the NMCB and offers internationally recognised CPD courses.

To complete your license renewal, you will be required to have an active WCEA subscription and completed 20 CPD points. Once verified, this will serve as confirmation for automatic renewal of your practicing license in Botswana.

Thank you
